**Sold for \$660,000**

The smartly designed home has the best features of a ranch as well as all the utility of a two-story. First floor primary suite and laundry are conveniently located close to the main living space. The gourmet kitchen has everything a chef would want including a huge pantry, double ovens, gas range and an island perfect to gather around. Upstairs includes a loft, two bedrooms that share a hall bath and an additional bedroom with private bath. Work from home? The main floor office is the ideal space for a private and sunny office. Water Valley is a golf cart community where you can walk or ride to nearby restaurants, recreational facilities, lakes for...
